

# ASX ANNOUNCEMENT

24 February 2010

## ABOUT CARPENTARIA:

Carpentaria is an exploration company focused on discovering base, precious metals and bulk commodities in eastern Australia. The company holds 100% owned tenements in NSW and Queensland and also has a number of farm-in deals. Most tenements have known mineralised systems and are being explored using modern, efficient technologies. The company currently has interests in iron ore, tin, gold, copper and coal exploration projects
